**Technical Update – Codes and Certifications  
Mark Graham, NRCA**

**Reception - 5:30 p.m.    Dinner – 6:15 p.m.    Presentation – 7:00 p.m.**

WRCA is pleased to kick off 2008 with a technical program designed to provide you with the latest information on a number of technical topics critical to your business. Our speaker will be Mark Graham. No stranger to the WRCA membership, Mark is Associate Executive Director, Technical Services, for the National Roofing Contractors Association (NRCA).

Mark will be talking about several subject areas, including a general code update, the latest on FM 1-29, and developments related to ES-1, roof edge securement. Mark will also talk about some of the activities at NRCA.

If you have specific technical questions you would like Mark to answer during his presentation (your name will be withheld from the question), we would appreciate your letting us know in advance so that we can forward them to him prior to the presentation. Please use the space on the registration form to provide your question(s).

*We encourage you to come to this informative meeting!  
Guests attend free of charge, so please invite prospective members to attend.*
