“Covering Your Assets”

Strategies for Getting Paid and Protecting Your Interests

Attorney David Turiciano, Mawicke & Goisman (Milwaukee)

Our program will begin with a brief **legislative/regulatory update**. There's a lot more going on in Madison besides protests and boycotts. There are a number of changes that are affecting small businesses and contractors in particular.

Afterward, **Attorney David Turiciano** will provide a fast-paced and real-world review of the many strategies to ensure that you are **getting paid for the work that you do**. This program is useful for both contactors and vendors and will cover everything from contacts, liens, bankruptcies and more. Bring your questions to the meeting or provide your question on the attached registration form.

Dave is a frequent presenter on construction-related law and his presentations are known for being **interactive, humorous, and practical**. Too often, programs on legal topics end up being about the statutes or about a recent court decision. This program is different. It's about **what really happens** or needs to happen – in your business plan, in your contract negotiations, in your meetings with your attorney, and in the court room.

Our location for the meeting is the **Miller Inn at Miller Brewery** in Milwaukee. Tours are optional, but this is the tasting room used by the tour groups and everyone attending will get a chance to **sample as many as three Miller products at no charge!**

To register, use the attached form.

Additional information about traffic, directions, and parking will be sent to those registering for the meeting.

We encourage you to come to this informative meeting! Non-Member guests are welcome!

Deadline for Registration is Friday, May 6.
